____ **FREEZE (Level 1 or 2 only) I wish to do a 1-month freeze for the following dates**

We do not prorate tuition for student vacations. However, with advanced written notice you may freeze your account for a single 1-month period per 6-month contract. During the freeze month you will not attend classes and will not be billed, and this will extend your contract end date by one month. Kenwa Karate of Sitka will not under any circumstance adjust rates for a student after the fact nor will KKS prorate bills for shorter absences. KKS does not offer the freeze option for Little Dragons.

_____ (enter dates, limit 1 per 6-month contract)

____ **CANCEL: I will not be attending any more classes effective on** _____ (enter date)

I understand there are no refunds for dues already paid.
